

Applicant submits the herein set forth Memorandum of Interviews to complete the record of this case. The amendments of the Interview of February 18, 2010 resulted in the issuance of a Notice of Allowance. The amendment to the record is submitted to comply with the requirements of 37 CFR§ 1.133. The submission solely clarifies the record and, as the record of this case establishes, does not necessitate a new search or examination. The claims have not been amended and thus should be patentable for the reasons on record. The issue discussed in the interview of May 18, 2010 had been raised in previous responses (see response of March 20, 2009, page 20), but could only be fully resolved in the herein memorialized interview with the newly assigned examiner.

The fees required with this response are submitted herewith. However, the Office is authorized to charge undersigned's deposit account 50-3135 as required.

Respectfully submitted,
